

IN THE EVENT WE HAVE ANOTHER PANDEMIC THE GUIDELINES WILL GO AS FOLLOWS:

Covid 19 Tournament Info 06-15-2021

As bowling alleys re-open, GLJGT will do everything humanly possible to keep everyone safe, by following the CDC Covid-19 guidelines according to the State and Bowling Centers protocol.

Covid 19 or other Safety precautions & rules in place: may be edited if/when restrictions ease.

1. Anyone entering the Bowling Center, must have a mask on them properly worn. GLJGT strongly suggests wearing a mask at all times during the event. We will supply a mask if anyone needs one. Masks must be worn any time while moving, walking, standing on the back wall, or anywhere in the center-
Unless your: eating or drinking, you may lower your mask. **Plz keep your mask on at all times.**
2. EVERYONE entering the Center: Hands will be sanitized by GLJGT. Either spray, gel, or wipe towels.
3. EVERYONE entering the Center: will have their Temperature checked with a Non contact temp reader.
4. Youth Bowlers **will not need to wear a mask** while you're on the approaches up to bowl. Youths may pull down their mask, till they finish their shot, then they need to pull the mask back up. Youths will need to wear a mask If leaving the bowler's area, to join your parents, you must wear a mask while moving from your lane to your table.
5. Youths may pull the mask down, if eating/drinking in the bowler's area, then pull the mask back up when done.
6. 2-4 bowlers per lane. Bowlers will have assigned chairs, spaced out in the bowler's area. Bowlers will use the same seat arrangements when moving to the next pair of lanes. Bowl with Friends while practicing distance.
7. No Hand/body contact among the bowlers.. I.e... High fives, ect... Use elbow or feet tags for Congrats.
8. **GLJGT will use every other pair of lanes for Tournaments.** Bowlers will bowl on one pair of lanes 2-3 games (pending format), then shift **Right** one pair of lanes and resume bowling 2-3 games (pending format), on a **Fresh Oiled pair** of lanes. All Center surfaces are sanitized, cleaned prior to the event. When bowlers move from their lanes, the lanes on the right are already sanitized clean. Ready to bowl on, NO waiting.
9. **Parents/spectators.** Will remain in the same seats on the concourse just like bowlers will do in the bowlers area on the lanes. You will not need to move at all. This cuts down on any possible Covid spread.
10. Each pair of lanes in the bowler's area will have hand sanitizer provided by GLJGT for youths. Every other pair of lanes and tables will have Sanitizing supplies: Anti-Bacterial/virus table cleaning spray, Paper towels, Disinfectant wipes.
11. Sanitizing Stations & Anti-bacterial hand washing soap will be provided in/or near all bathrooms. GLJGT strongly suggests EVERYONE to use all safety measures.
12. GLJGT has additional safety plastic gloves if anyone desires to wear them. FREE
13. Each bowler will be allowed **1-2 spectators.** Centers have a max capacity with current Covid restrictions rules.
14. **Sanitizing Bowling equipment:**.. All bowlers must have their own bowling equipt. NO renting center shoes, or using Center bowling balls. USBC has added a new rule. Bowlers may use "Rubbing alcohol" to disinfect their bowling balls DURING any USBC GLJGT event. This kills the Covid 19 virus. Please be compliant, and keep any use of rubbing alcohol in the original container with the ingredient list. We don't want anyone accused of using illegal ball cleaner during events. Ball cleaners can only be used prior to the 1st ball of competition..
15. **GLJGT** will be using recommended CDC Covid 19 social distance signage in Centers. Everyone is expected to follow. You may see traffic flow charts for traffic(walking) in one direction. You will see seating signage. Seats listed as "Do not sit here" for proper social distancing. You will see signs reminding of "Wearing of Mask".

16. Anyone not complying with GLJGT/ Covid rules written, is subject to NOT be allowed entry, or the possibility of competing in GLJGT, while Covid 19 rules are in place. This applies to both Bowlers & Spectators.
17. If any changes due to Covid-19 happen we will make an announcement on the day of the tournament.
18. **More info is listed on our website** www.gljgt.org on the event date. Or message Director Jeff Wirtz thru cell or website: 269 579 1368 jeff_wirtz@comcast.net also use our FB sites: Great Lakes Jr Gold Tour.

Updated

06/15/21

If you feel sick or have any symptoms, please stay home, and we can refund your entry or forward it to another event. GLJGT notices a bowler or spectator doesn't feel well, or are displaying symptoms then we may ask you to leave the center, your entry will be refunded or can be moved to another event. These rules may be changed if the guidelines from the State's CDC or Bowling center change for any reason. Announcements will be made at the bowling center of any changes and updated on our website as soon as we know of the changes.

With any illness there is no guarantee you may or may not get ill, as long as you are following the guidelines put in place, everyone has a better chance of not getting ill, if you feel uncomfortable in attending then we advise you not to.

We all want everyone to be safe, and need everyone's help in doing so, so that we can have a successful event.
